News Announcement for ENCePP Website:

Launch of ENCePP Database of Research Resources

On 29 January 2010 the European Medicines Agency launched version 1.0 of the ENCePP Database of Research Resources. This release includes the **electronic inventory of research centres and networks in ENCePP**, an electronic index of European research organisations in the field of pharmacoepidemiology and pharmacovigilance. It is available at the ENCePP web portal to the general public and research organisations are encouraged to register via the website.
