European Medicines Agency scientific debate

Hilton Brighton Metropole, 20 August 2010, 13:30

Motion: "Results from epidemiology and pharmacoepidemiology studies mislead the public because of a failure to adjust for multiple comparisons. Journals should not publish studies that do not account for multiplicity."

For the motion:

Stan Young
National Institute of
Statistical Sciences, USA

Stuart Pocock
London School of Hygiene and
Tropical Medicine, UK

Against the motion:

Sonia Hernandez Diaz
Harvard School of Public Health, USA

Ken Rothman
RTI Health Solutions, USA

Held in conjunction with:

International Society for Pharmacoepidemiology
