

Specification of steering group

This study has no specific steering group, as all members mentioned in the study protocol are active in the data collection, analyses and interpretation of the results.

The Drugs and Pregnancy project steering group include:

Erkki Palva, MD, Finnish Medicines Agency (FIMEA)

Päivi Hämäläinen, MD, National Institute for Health and Welfare (THL)

Ilona Autti-Rämö, MD, Social Insurance Institution (KELA)

Mika Gissler, M.Soc.Sc, PhD, National Institute for Health and Welfare (THL) ^π

Anna-Maria Lahesmaa-Korpinen (secretary), M.Sc., Ph.D., National Institute for Health and Welfare (THL) ^π

^π Included also as authors

The results from the analyses and the progress of the work will be regularly evaluated in the Drugs and Pregnancy project steering group meetings twice annually and more frequently if needed.
