## ENCePP Working Group on Guidance for Data Integration

Chair: Nawab Qizilbash

### Mandate of the Group

To develop a stand-alone guidance on conducting systematic reviews and meta-analysis of completed pharmacoepidemiology studies investigating safety outcomes. This is in the light of a need identified by the ENCePP Steering Group and endorsed by the ENCePP Plenary.

The specific deliverables for the period 2015-2016 may be seen in the corresponding [ENCePP Work Plan](#).
