Update from the Steering Group

ENCePP Plenary 2022
Wednesday 30 November 2022

Susana Perez-Gutthann
Catherine Cohet

What has happened since the last Plenary?

- DARWIN EU® Coordination Centre up and running, onboarding of first set of data partners
- Slowly back to “normal” but still in pandemic mode, work on Covid (and mpox) continues
- Multiple outputs from the Working Groups (→ Session 1)
- Work at EMA on the transition of the ENCePP website and catalogues (→ Session 1)
- Steering Group meetings, co-chairs’ discussions: importance of continuing engaging the ENCePP community after the pandemic, convergence with other guidances/learned societies, update of the ENCePP work plan (→ Session 2)
- Large amount of data presented by different ENCePP partners at ICPE in Copenhagen (→ Session 3)
